Rule-

Market Show Entries:

An exhibitor may list two Market animals on their Entry Form, regardless of species. Both animals listed on the Entry Form may be shown in their Market classes and one may be shown in showmanship. Only one animal may be sold. The animal that will be sold will be the higher placing animal if in the same species; if animals are different species the exhibitor has until 6:00 p.m. Friday after the Market show to declare which animal will sell. If exhibitors do not declare which animal will be sold, the Show Management will decide and the exhibitor must comply with the ruling. Another youth exhibitor may show the second animal if the animals are in the same weight class. If both animals are Champion/Reserve Champion, then both must sell.

Proposed Changes-

1.- "An exhibitor may list multiple Market animals on their Entry Form, regardless of species. All animals listed on the Entry Form may be shown in their market classes and one may be shown in showmanship. Only one animal may be sold. The animal that will be sold will be the higher placing animal if in the same species; if animals are different species the exhibitor has until 6:00 p.m. Friday after the market show to declare which animal will sell. If exhibitors do not declare which animal will be sold, the show management will decide and the exhibitor must comply with the ruling. Another youth exhibitor may show the second animal if the animals are in the same weight class. If multiple animals are Champion/Reserve Champion, then all must sell.

Market animals that do not make weight at the scale may enter that species' Feeder Show, the \$20.00 ear tag fee covers the Feeder Show entry fee. See Feeder Show Entries.

Each exhibitor must show and sell his/her own Market animal. All animals must be shown in accordance with the Show Schedule. An exhibitor may be disqualified for failure to bring an animal into the ring at the appropriate time.”

2.- Blue ribbon animal must sell. If both animals are blue (red), then the exhibitor has until 5:00 p.m. after the end of the Market Show to declare which animal they would like to sell. If animals are different species, the exhibitor must declare by 5:00 p.m. after the end of the second animal’s Market Show. If no animal is declared, the show office will choose. Once the sale order has gone to print, no changes may be made by the exhibitor.
